

MAY/JUNE 2023 MINISTRY UPDATE

Greetings Friends & Ministry Partners!

Since our last letter, we have traveled to update several of our financial partners and attend ministry workshops. While we have been in Texas, Louisiana, North Carolina, Georgia, and Florida, Pastor Julius continues to lead the church in Sierra Leone. Between the seasonal rains and the tumultuousness of election season, the work of the ministry can be difficult and discouraging. However, Pastor Julius continues in faithful service.

As this letter is typed, the national elections have been held, and an announcement has been made declaring the incumbent president victor. Reports on election day reveal instances of violence and intimidation. While we can not know the future, potential for continued uprisings in the days and weeks ahead is entirely possible in response to the poll results.

We plan to continue traveling through the end of the summer season, aiming to return to Sierra Leone late August/early September. As we finish our time stateside, please pray for the following:

- Safety of our brothers and sisters-in-Christ in Sierra Leone
- Pastor Julius as he leads the church while we are stateside
- Safety for our family as we travel through the US

Thank you for your faithfulness in prayer & financial support!
