## JAN./FEB. 2024 MINISTRY UPDATE

---

Dear Friends and Ministry Partners,

We are grateful for your continuous support and prayers. They mean so much to us. Recently, we returned from a 6-day outreach in a village, ministering alongside a team of missionaries and local pastors here in Sierra Leone. Medical aid was provided, and the Gospel was shared with more than 1,000 people. Shaun had the opportunity to speak daily from God's Word to those gathered. He was blessed to personally lead two individuals (one Muslim) to Christ. Christin, Kaitlyn, and Kameron assisted in the pharmacy. At the same time, Wes helped the dentists and even shared a Bible story with a large group one day. We can't begin to tell you how fulfilling it was to serve the Lord this way to underserved and unreached people in an effort to open more doors for local pastors and church planters in these hard to reach places.

We're excited about a second Gospel-centered medical outreach this month to a different region of the country. As before, we are joining a team of missionaries and local pastors in a joint effort to bring the good news of Jesus Christ and medical aid to the area. Please keep this in your prayers. The impact of these trips is enormous, especially in sowing seeds of the Gospel and paving the way for local pastors to continue the work and plant more local churches. It fills us with joy and gratitude to be a small part of God's much more extensive plan in reaching, teaching, and ministering to those with little to no access to the Gospel message and Bible.

Looking ahead, planning a pastors' conference in March to equip them further in leading their churches in stewardship has begun. Christin has also been invited to speak at an upcoming women's conference in a village outside the city on the first weekend in March. Additionally, we are praying over and discussing the potential of establishing an addiction recovery program within a local church here. Please keep these endeavors in your prayers.

Once again, thank you for being with us on this journey. Every prayer, every word of encouragement, and every bit of support helps us move forward.

In Christ's Love,

The Evans Family
