

AUGUST/SEPTEMBER 2024 MINISTRY UPDATE

Dear Friends and Ministry Partners,

Greetings from Sierra Leone! After spending a few months in the U.S., reconnecting with friends, family, and ministry partners, we have safely returned to the field and hit the ground running. Our hearts are full of excitement and anticipation as we continue to share the Gospel and work alongside national pastors and leaders.

Since our return, we've been busy planning the launch of a Bible training school that will be pivotal in equipping national pastors, church leaders, and fellow believers to better minister in their churches, communities, and other underserved areas of Sierra Leone. We've already begun laying the groundwork for our first training sessions here in Freetown and envision expansion to other regions of the country as well.

Additionally, we are resuming our outreach, discipleship, and strategic church planting efforts alongside national pastors nationwide. Please continue to pray for open doors, protection, and wisdom as we share Christ's love with those who have yet to hear, as well as for the following:

- National Pastors and Church Planters: Please pray for our national pastors and church planters' strength, wisdom, and protection as they continue to spread the Gospel and minister to their communities.
- Our Family: Please pray for our protection, our health to remain strong, and our children as they continue their education and life here on the field.

Thank you for your prayers and support!

In Christ's Love,
The Evans Family

Thank you for your faithfulness in prayer & financial support!
