

APRIL/MAY 2025 MINISTRY UPDATE

Dear Friends and Ministry Partners,

We're excited to share what God has been doing over the past couple of months in Sierra Leone and beyond. Thank you for standing with us in prayer, encouragement, and support. Your partnership continues to bear fruit—real lives are being changed by the power of the Gospel.

Evangelism

On Good Friday, we had the opportunity to partner with Grace Center Bible Church's men's ministry, local believers, and some of our GLU students in a community Jesus Film Gospel outreach. Nearly 200 people gathered to watch, and the Gospel was clearly presented. Around 40 individuals professed faith in Christ that evening. In addition, we're working alongside a local pastor to survey several new unreached areas, seeking open doors for future evangelism and church planting. The harvest is plentiful, and we trust the Lord for the laborers, timing, and provision to go where the Gospel has not yet been preached.

Global Life University – Freetown Campus

As we enter June, we are wrapping up our first semester of Global Life University in Sierra Leone. It's been a joy to watch our students—many of them pastors and ministry leaders—grow in their biblical knowledge and ministry calling. They've been diligent despite challenges like power outages and limited resources. We believe these students will be key in strengthening local churches and planting new ones nationwide.

Looking Ahead

Wes and Shaun will travel to Manila in early June to attend Global Life University's graduation and observe various aspects of Global Surge's ongoing ministry efforts there. This trip is a valuable opportunity to learn, build relationships, and gather practical insights to strengthen the ongoing mission in Sierra Leone. Please pray for safe travel and meaningful connections throughout their time in the Philippines.

Family Update

In May, we celebrated Kaitlyn's graduation from high school! We're back in the States, spending time with family, reporting in churches, and helping Kaitlyn prepare for her next big step—joining the United States Air Force in early August. Please keep her in prayer as she steps into this exciting new season, and pray for us as we balance ministry and family responsibilities during our brief time stateside.

Please Pray With Us For:

- Praise for a strong and fruitful semester at Global Life University.
- Prayer for the upcoming survey in some new unreached territories.
- Safe and fruitful travel for our Manila trip in June.
- Grace and wisdom as Kaitlyn prepares to enter basic training in August.
- Continued provision, strength, and clarity for our ministry vision in Sierra Leone.

Thank you for standing with us. Every life touched, every church planted, every soul saved—it's all because the Gospel is going forward, and you're part of it. We are grateful for your investment in the Great Commission.
