

2025 MINISTRY HIGHLIGHTS LOOKING AHEAD TO 2026

Dear Friends and Ministry Partners,

As we reflect on 2025, we simply want to say thank you. God has been faithful, and your prayers and support continue to make Gospel ministry possible across Sierra Leone.

2025 Ministry Highlights

- Continued building our Global Surge team by equipping and walking alongside national pastors and ministry workers committed to faithful, biblical ministry through strategic local partnerships.
- Through medical missions, village preaching, and Jesus Film showings:
 - Over 3,000 people clearly heard the Gospel, many for the first time.
 - Approximately 300 responded in faith.
- Distributed several hundred print and audio Bibles along with discipleship materials.
- We personally began mentoring and discipling three local pastors and one pastor's wife (ongoing through 2026).
- Launched Global Life University-Sierra Leone, and currently have 36 committed students training to handle God's Word accurately and shepherd their people faithfully.
- Continued teaching and discipleship training workshops throughout the country.
- Launched a "Creation to Christ" Bible study within a Muslim community, opening doors for evangelism and discipleship, and praying toward a future church plant.

Looking Ahead to 2026

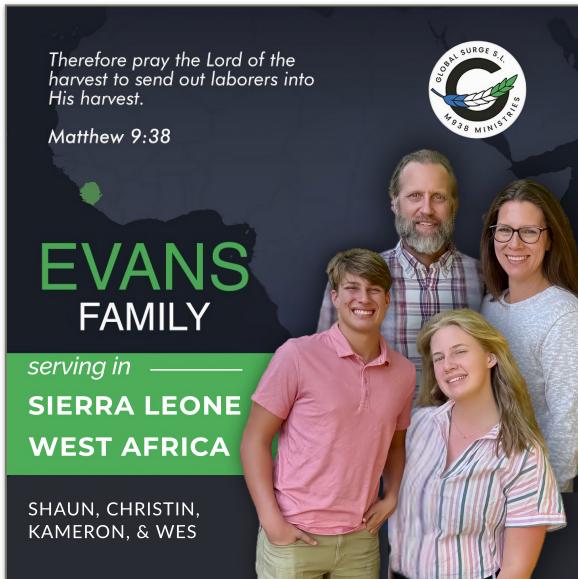

- Continued evangelism, discipleship, and leadership training nationwide.
- Working with a local pastor to establish a new local church (currently in process).
- Beginning discipleship, guidance, and leadership development at Faith Baptist Primary School, in collaboration with a partnering church in Virginia, investing in the next generation.
- Preparing to launch our first Global Surge "Women of Influence" conference in the Spring
- Preparing to launch the **Okada Outreach Initiative**:
 - We are prayerfully laying the strategic groundwork for a new outreach effort focused on reaching unreached communities and developing multiplying local churches.
 - More details will follow, but here is a brief overview:
 - Strategic Gospel access through local motorbike transportation (okadas) hubs.
 - Evangelism leading to discipleship and Bible studies that grow into sustainable, non-facility-dependent local churches.
 - Training local leaders through discipleship and Global Life University.
 - Establishing local churches designed to multiply into surrounding communities.

 **Please Pray With Us For:**

- Open doors and open hearts as the Gospel goes into unreached communities.
- New believers to be grounded in God's Word and grow through discipleship.
- Wisdom and discernment as faithful local leaders are identified and trained.

Thank you for standing with us. Every life touched, every church planted, every soul saved—it's all because the Gospel is going forward, and you're part of it. We are grateful for your investment in the Great Commission.
